507press Policy re Advertising and Subscriptions

- Subscriptions and/or renewals are \$30.00 year or \$2.30 per issue
- All submissions to be signed and submitted by the 15th of each month
- Advertising in the "507 Express" as follows:
Classifieds - \$2.00 per month 1/8 page - \$5.00 per month
½ page - \$10.00 per month ½ page - \$15.00 per

- A distraught senior citizen phoned her doctor's office. "Is it true," she wanted to know, "that the medication you prescribed has to be taken for the rest of my life?" "Yes, I'm afraid so," the doctor told her. There was a moment of silence before the senior lady replied, "I'm wondering, then, just how serious is my condition because this prescription is marked "NO REFILLS."
- An older gentleman was on the operating table awaiting surgery and he insisted that his son, a renowned surgeon, perform the operation. As he was about to get the anesthesia, he asked to speak to his son. "Yes, Dad, what is it?" "Don't be nervous son; do your best and remember, if it doesn't go well, your mother is going to come and live with you and your wife..."
- Ah, being young is beautiful, but being old is comfortable.
- First you forget names, then you forget faces. Then you forget to pull up your zipper....it's worse when you forget to pull it down.

The **507 Express** is a community based newsletter. It welcomes submissions and letters to the editor on subjects of interest to our readers. The editor reserves the right to edit any submission to meet space requirements, for clarity or to avoid obscenity, libel or invasion of privacy. All letters to the editor must be signed and include a telephone number for verification purposes. (Phone numbers will not be printed.) Views expressed in columns, letters and articles are those of the writer and do not necessarily reflect the opinion of this newsletter.

Support Mark Through His Treatment

For those who are not aware Mark Eveleigh (The Catch) was Diagnosed with Hodgkin's disease in early December and Started treatment in mid-January. To help Mark and his Family weather this challenging time, a few neighbours and Friends have set up a gofundme page to gather support from Anyone looking to lend a hand. Any funds gathered will go Towards the Eveleigh's household bills and Mark's meds while He is undergoing treatment.

Mark is such a big part of our community – thank you for Sending some love and support back his way!

www.gofundme.com/f/support-mark-through-his-treatment

Kids are back in class once again – let's hope they get to stay there for the rest of the school year.

Kindergarten registration is now available online.

Welcome to the staff at Buckhorn Public School in the role of Education Assistant, Kelly Cooney.

- Kids are back in class once again – let's hope they get to stay there for the rest of the school year.
- Kindergarten registration is now available online.
- Welcome to the staff at Buckhorn Public School in the role of Education Assistant, Kelly Cooney.

A black and white line drawing of two firefighters. They are wearing helmets, jackets with buttons, and boots. They are in a playful, almost dancing pose, with one firefighter's arm around the other's waist. The firefighter on the left is wearing a helmet with a cross on it, while the one on the right has a plain helmet.

Have fun – stay safe!

Family Day 2022 in Canada

Family Day is celebrated on the 3rd Monday of February.

In 2022 Family Day is February 21.

Family Day is not a national statutory holiday, it is only observed in New Brunswick, Alberta, Manitoba, Ontario, Saskatchewan and in British Columbia.

Other provinces have holidays in February on the same day but these holidays aren't called family day. In PEI Islander Day is celebrated on the 3rd Monday in February and in Manitoba the 3rd Monday in February is the Louis Riel Day holiday. In Nova Scotia this day is called Heritage Day.

Since this is not a federally established holiday all federal workers work on Family day including post office employees and public servants. (It's interesting how public servants don't complain about this in the comments area the same way private sector workers complain about having to work on Easter Monday when public servants have the day off.)

Family Day was originally created to give people time to spend with their families but it also provides a day off between New Years Day and Good Friday as they are approximately three months apart.

As mentioned above, unfortunately, not everyone gets Family Day off, which makes it a debatable holiday in many provinces. Why can't the whole country simply agree on 9 or 10 common statutory holidays remains a mystery and a good indicator of just how overcomplicated our laws are.

Common Family Day activities include skating, playing hockey, snowboarding/skiing and going to various winter festivals. But the best thing about Family Day must be beaver tails and stuffing ourselves silly with pancakes with maple syrup!

We will not be having our annual Family Day Celebration at the Cavendish Community Centre due to Covid-19 – weather permitting the rink is available for all to enjoy. Please bring your family out and have a great day together.

Driving a snowmobile

What you need to drive a snowmobile in Ontario

You can drive a snowmobile if you have a valid Ontario driver's licence (any class). If you do not have a driver's licence and you are 12 years of age or older, a valid motorized snow-vehicle operator's licence (MSVOL) will allow you to drive on trails established and maintained by a recreational organization for the use of snowmobiles. However, you must be 16 years of age or older and have a driver's licence or a motorized snow-vehicle operator's licence (not both) to drive a snowmobile along or across a public road where snowmobiles are allowed.

An MSVOL is issued by the Ontario Federation of Snowmobile Clubs in co-operation with the Ministry of Transportation. You must successfully pass a snowmobile driver-training course to get a licence. (For more information on how to get a motorized snow-vehicle operator's licence.

If you are a visitor to Ontario and wish to drive a snowmobile while you are here, you must have a valid licence that allows you to drive a snowmobile in your home province, state or country.

You must carry your driver's licence or snow-vehicle operator's licence when you are driving your snowmobile anywhere other than on your own property. You must show it when asked by a police or conservation officer.

If your driver's licence or snow-vehicle operator's licence has been suspended, you may not drive any type of vehicle on or off any roads or in any public place.

Registering and insuring your snowmobile

Before driving a snowmobile, it must be registered with the Ministry of Transportation through a ServiceOntario

If you buy a new snowmobile, your dealer will register it with the Ministry of Transportation within six days of the sale. If you buy a used snowmobile that has been previously registered, you will simply need the signed snow-vehicle permit and the bill of sale to transfer the registration into your name.

You must pay a fee to register your snowmobile. This is a one-time fee to be paid by the owner of the snowmobile. After registering, you will be given a permit and a registration number decal to display on your snowmobile.

Attach the decal to each side of your snowmobile's cowling or engine cover. It should be placed so that the start of the registration number is between 10 and 15 centimetres from the rear of the cowling. If the decal cannot be placed on the cowling because of the design of the vehicle, place the decal on each side of the tunnel, near the light reflector.

Unless you are driving your registered snowmobile on your own property or you are a resident of northern Ontario that is exempt, you must have a validation sticker on your registration decal. You must carry your driver's licence or MSYOL, and evidence of your vehicle's registration at all times and show it to a police or conservation officer when asked.

Snowmobiles are only permitted on public highways when directly crossing. In specific circumstances, snowmobiles can operate on the non-serviced portion of some highways. Local municipalities also have authority to pass bylaws governing the use of snowmobiles on highways under their jurisdiction.

There is an annual renewal fee for the sticker. Place the sticker in the upper right corner of the decal.

You must also have liability insurance to drive your snowmobile off your own property. Carry the insurance card given to you by the insurance company for the snowmobile, and show it when a police or conservation officer asks for it. If someone else uses your snowmobile with your consent, you are both responsible for any penalties, damages or injuries that may occur.

There are separate requirements and rules regarding the operation of trail grooming equipment. Make sure you know what is required before operating grooming equipment.

Wear a helmet

You must wear a helmet whenever you drive or ride on a snowmobile or any kind of toboggan or sled towed by a snowmobile. Although you do not require a helmet when you operate a snowmobile on your own land, it is recommended that you wear one for safety reasons. The helmet must meet the standards approved for motorcycle helmets, or motor-assisted bicycle helmets, and must be fastened properly under the chin.

Protect your eyes and face

Always wear a face shield or goggles. A face shield can help prevent windburn, frostbite, sunblindness and watering eyes from the wind. A face shield can also protect your eyes from branches and twigs when driving through wooded areas. Select lightly tinted and shatterproof shields or goggles to match conditions. For example, choose clear plastic for dull, cloudy days and deep yellow for late afternoon when flat light can hide depressions in the snow. Avoid dark-tinted shields or goggles, which can restrict your vision.

Make sure your snowmobile is in good condition

Before every trip, check your snowmobile to make sure it is in good working order. Your life may depend upon it. Do the following:

- Check the steering mechanism. Turn the handlebars back and forth to make sure the turning is smooth and unrestricted.
- Check the condition and tension of the motor drive belt. Change it if necessary or if you are in doubt about its reliability.
- Check the emergency switch, headlights and tail lights.
- Check the battery solution level.
- Check the throttle and brake levers. Make sure they move freely.
- Check the spark plugs and the tank's fuel level. Do not use matches or a lighter when doing this, and never add fuel when the motor is running.

When towing a toboggan, sled or any other kind of vehicle behind a snowmobile, be sure to use a rigid tow bar and a safety chain. For safety, towed vehicles must have reflective material on the front sides, rear sides and rear to make them more visible. Towing is generally not allowed on public roads except to cross the road at a 90-degree angle. This does not apply to a snowmobile being used to free a stuck vehicle, for any emergency rescue or for trail maintenance.

Before you drive anywhere, read the owner's manual carefully and keep it in your snowmobile at all times.

Be well prepared for every trip

Carefully preparing for every trip is an important part of safe snowmobiling. Check local weather forecasts and local ice conditions before heading out, as they can change in a matter of hours. Avoid travelling on unmarked frozen lakes and rivers. Make sure you tell someone where you will be travelling and when you expect to be back. Use the buddy system; do not drive your snowmobile alone and always ride within your abilities and according to conditions.

Take along a first-aid kit, a vehicle repair kit, an extra ignition key, a drive belt, spark plugs and a rope. On long trips, include a map and a compass (or a GPS unit and know how to use it), flashlight, hunting knife, hatchet, extra fuel, matches in a waterproof box and high-energy food such as granola bars. If you travel over frozen lakes and rivers, wear a buoyant snowmobile suit and carry ice picks to improve the chances of survival if you break through the ice.

Where you can and cannot drive

You may drive your registered snowmobile on your own property, on the private trails of organizations to which you belong, on private property when you have the owner's permission or in permitted public parks and conservation areas.

Snowmobiles are only permitted on public highways when directly crossing. In specific circumstances, snowmobiles can operate on the non-serviced portion of some highways. Local municipalities also have the authority to pass bylaws governing the use of snowmobiles on highways under their authority.

You may not drive a snowmobile on certain high-speed roads, freeways, the Queen Elizabeth Way, the Ottawa Queensway and the Kitchener-Waterloo Expressway. This includes the area around these roads, from fence line to fence line. You may not drive on the serviced section of a road (from shoulder to shoulder) except to cross. When crossing, you must slow down, stop and then proceed at a 90-degree angle. When riding in a group, do not motion the driver behind you to cross. Let each rider assess oncoming traffic and decide for themselves when it is safe to cross. If visibility is restricted at the crossing, you may then wave to the driver behind you that the way is clear.

Except where prohibited, you may drive your snowmobile along public roads, keeping as far away from the road as possible in the section between the shoulder and the fence line. Local municipalities may pass bylaws that regulate or prohibit snowmobiles anywhere within their boundaries, on or off public roads. Make sure you are aware of the bylaws in the municipality where you intend to snowmobile.

You may not drive a snowmobile on railway tracks unless you have permission from the railway track authority.

Public trails

Ontario's public trails are established and maintained by many snowmobile clubs. They are patrolled by Ontario Provincial Police, municipal police, conservation officers and Snowmobile Trail Officer Patrol officers. Some clubs require snowmobiles to have and display a trail permit to drive on their trails. Some other clubs allow their trails to be used without a trail permit. Trails may have signs stating that a trail permit is required. If you are unsure, check with the local snowmobile club to find out if you need a trail permit.

For trails operated by the Ontario Federation of Snowmobile Clubs, you must have and display a trail permit. This includes trails on private property, municipal property and land owned by the government. Some snowmobile-trail user groups are exempt from the permit requirement. Those who are eligible for exemption and the documents required as proof are included in the trail-permits section of the regulations of the *Motorized Snow Vehicles Act*. Snowmobilers who are exempt must carry the appropriate documents and show them when requested to do so.

For information about trails and trail permits, contact your local snowmobile club or the Ontario Federation of Snowmobile Clubs, 501 Welham Road, Unit 9, Barrie, ON L4N 8Z6. Phone 705-739-7669; fax 705-739-5005; or e-mail at info@ofsc.on.ca ([mailto://www.ofsc.on.ca](mailto:info@ofsc.on.ca)). You can visit the [OFSC website](http://www.ofsc.on.ca) (<http://www.ofsc.on.ca>).

Do not trespass

You are trespassing if you drive your snowmobile on private property without permission from the owner. The owner is not required to have a "No Trespassing" sign posted. If you are driving your snowmobile on private property, you must stop and identify yourself when asked by the police, the owner of the property or a representative of the owner. If you are told to leave the property, you must do so immediately.

You may be fined if you are convicted of trespassing. In addition, you may be ordered to pay damages. Under certain circumstances, you may also be required to pay for the cost of prosecuting. Charges will be laid against the driver of the snowmobile. If the driver is not known, the owner may be charged if the snowmobile was used with the owner's permission.

It is an offence under the *Railway Safety Act* to trespass on railway tracks.

ObeY the speed limits

You must not drive a snowmobile faster than 20 km/h in any public park or exhibition ground, or on any road where the speed limit for other vehicles is 50 km/h or less. You must not drive faster than 50 km/h on snowmobile trails or on any road where the speed limit for other vehicles is more than 50 km/h. Always leave extra space between you and the snowmobile in front to give yourself more time to react to unexpected hazards and stop safely. Lower your speed at night and don't outrun your headlights. Reduced nighttime visibility makes hazards more difficult to spot and estimating distance is much harder. Always wear clothing with reflective markings to remain visible at night.

Municipalities may set other speed limits for snowmobiles on public roads, trails and parks within their boundaries. Check municipal bylaws.

The snowmobiler's code of ethics

Follow this code of ethics, and you will do your part to make snowmobiling a respectable, fun and safe winter recreation.

1. I will be a good sportsperson and conservationist. I recognize that people judge all snowmobilers by my actions. I will use my influence with other snowmobilers to promote responsible conduct.
2. I will not litter trails or camping areas. I will not pollute lakes or streams. I will carry out what I carried in.
3. I will not damage living trees, shrubs or other natural features.
4. I will respect other people's property and rights.
5. I will lend a helping hand when I see someone in distress.
6. I will make myself and my snowmobile available to assist in search-and-rescue operations.
7. I will not interfere with or harass hikers, skiers, snowshoers, people who are ice fishing or participating in other winter sports. I will respect their rights to enjoy recreation facilities.
8. I will know and obey all federal, provincial and local rules regulating the operation of snowmobiles in areas where I use my snowmobile.
9. I will not harass wildlife. I will avoid areas posted for the protection of wildlife.
10. I will not drive where snowmobiles are prohibited.

Why Why do men's clothing have buttons on the right while women's clothing have buttons on the left?

Because When buttons were invented, they were very expensive and worn primarily by the rich. Since most people are right-handed, it is easier to push buttons on the right through holes on the left. Because wealthy women were dressed by maids, dressmakers put the buttons on the maid's right! And that's where women's buttons have remained since.

Walk-in Opportunities Available at COVID-19 Vaccine Clinics

Peterborough Celebrates 1 Year Anniversary of First COVID-19 vaccine Administered in Region

To increase access to the COVID-19 vaccine, Peterborough Public Health (PPH) is expanding walk-in clinic opportunities to some eligible residents. As of today,

- Residents **12 years of age or older** who require a **first or second dose** of the COVID-19 vaccine can walk-in to vaccine clinics designated for residents 12 years of age or older.
- Residents **18 years of age or older** who require a **booster dose** of the COVID-19 vaccine can walk-in to vaccine clinics designated for residents 12 years of age or older.
- Residents ages **5-11** who require a **first dose** of the COVID-19 vaccine can walk-in to vaccine clinics designated for residents ages 5-11.

At this time, residents ages 5-11 who require a second dose of the COVID-19 vaccine are asked to book an appointment at available COVID-19 vaccine clinics.

Available COVID-19 vaccine clinics can be found at www.peterboroughpublichealth.ca/vaccineclinics. Appointments are still available for most COVID-19 vaccine clinics and can be booked through the provincial booking system online at www.ontario.ca/covidvaccine or by calling 1-833-943-3900.

"We are aiming to reduce the barriers to receiving a COVID-19 vaccine by expanding walk-in opportunities for many residents," said Dr. Thomas Piggott, Medical Officer of Health. "Peterborough Public Health will continue to host

vaccine clinics in the City of Peterborough and throughout Peterborough County to increase access to the vaccine."

Today is the one-year anniversary of the first COVID-19 vaccine administered in the Peterborough region. On January 26, 2021, Elizabeth Campbell was the first resident in Peterborough to receive the COVID-19 vaccine. Dr. Piggott adds, "In one year, all vaccination partners in our region have been able to administer 321,186 doses of COVID-19 vaccines. I want to thank our vaccinators, administrative support, volunteers, and every partner organization that have supported COVID-19 vaccine efforts across the region."

For additional information about the COVID-19 vaccine, visit www.peterboroughpublichealth.ca

Home Fire Safety Checklist

Smoke & Carbon Monoxide Alarms

- ☐ Install working smoke alarms on **every storey of the home** and outside **all sleeping areas**. Install carbon monoxide alarms outside all sleeping areas. **It's the law.**
- ☐ For extra protection, install a smoke alarm in every bedroom and a carbon monoxide alarm on **every storey**.
- ☐ Test your smoke and carbon monoxide alarms **once a month**.
- ☐ Change alarm batteries annually or whenever the low-battery warning sounds.
- ☐ Always **follow the manufacturer's instructions** for installing, testing, maintaining and replacing smoke and carbon monoxide alarms.

Cooking Fire Safety

- ☐ **Always stay in the kitchen** and stay alert when cooking.
- ☐ Keep anything that can catch fire—*oven mitts, wooden utensils, food packaging, towels or curtains*—away from your stovetop.
- ☐ Keep a proper fitting pot lid near the stove when cooking. If a pot catches fire slide the lid over the pot and turn off the stove. **Do not move the pot.**
- ☐ Wear tight-fitting or rolled up sleeves when using the stove. Loose dangling clothing can easily catch fire. If your clothing catches fire, stop, drop to the ground and roll over and over to put out the fire.

Home Fire Escape Planning

- ☐ Develop a **home fire escape plan** and practice it with the entire family.
- ☐ Make sure everyone knows **two ways out** of each room, if possible.
- ☐ Determine who will be responsible for helping young children, older adults or anyone else that may need assistance when escaping.
- ☐ Choose a **meeting place** outside, such as a tree or lamp post, where everyone can be accounted for.
- ☐ Call the fire department from outside the home, from a cell phone or neighbour's home.
- ☐ **Once out, stay out.** Never re-enter a burning building.
- ☐ Make sure exit doors and windows open easily and are kept clear of obstructions.

Other Things to Consider to Prevent Fire in Your Home

- ☐ Keep matches and lighters out of the sight and reach of children.
- ☐ Always **blow out candles** before leaving the room.
- ☐ If anyone in the home smokes, **smoke outside**.
- ☐ Ensure items that can burn are **one metre away** from space heaters.
- ☐ **Avoid overloading the electrical outlets.** Extension cords should be used only as a temporary connection.

For more information contact your **local fire department**.

Burn Permits

Burn Permits are required - you must have a permit for ANY open air burning. Fire Permits are available on line through the Municipality of Trent Lakes web site or phone 705-738-3800 extension #301 or 1-800-374-4009 Extension #301.

Cavendish Address (Lake/Lot & Conc): _____

Waterfront: Yes No

We host two public meetings every year:

Saturday June 25, 2022 – 10am – 11:30am Via Zoom
Saturday August 20, 2022 – 10am – 11:30am Via Zoom

We bring in a variety of speakers to present on important topics and initiatives that are deemed important to property owners in the Municipality of Trent Lakes.

Join us via Zoom and possibly in person in the future. All meetings are at the Cavendish Community Centre. Zoom invitations will be emailed out in advance and you can connect via laptop, tablet, smart phone or land line phone.

Everyone welcome. Stay informed. Be heard. Make a difference.

For online payments, please email in the form and email/E-transfer the membership fee to CCRAIMAIL@GMAIL.COM. You can also mail this form with a cheque or money order made out to CCRAI to the address at the top of this application. Thank you for your continued support of the Cavendish Community Ratepayers Association.

NOTE: DUE TO INCREASED PRINTING AND POSTAGE COSTS THE CCRAI ANNUAL NEWSLETTER WILL ONLY BE MAILED TO MEMBERS IN GOOD STANDING

We want your natural corks!

Survivors Abreast dragon boat team
is thrilled that **The Village Wine Shoppe** in
Bridgenorth has offered the proceeds from their cork
collection program to the team as a fundraiser!

Money raised will help defer costs for Survivors Abreast
dragon boat team to represent Peterborough at the 2022
International Dragon Boat Festival in Waikato New Zealand!

In partnership with Jelinek Cork Group, your natural corks will
be recycled and made into products such as flooring, wall tiles
and bulletin boards.

**In addition to helping the environment, you will be
supporting a great cause!**

Please drop your corks off at these locations:

The Village Wine Shoppe- 874 Ward St. Bridgenorth
The Wine Shoppe - 392 Brock St in Peterborough

LITTLE BLUE MARLIN

OR, if you know a Survivors Abreast paddler,
give them your corks!

Thank you for your support!

Cavendish Community Centre is on facebook! Find us and follow us at
facebook.com/CavendishCommunityCentre. It's a great way to stay in touch with what's
happening at the CCC.

If you are already following us, you may have noticed some recent activity on our page.
We are getting it up to date and adding all the activities and events that are happening at
the Community Centre. If you would like to update or add an event, please message us
through facebook or email kathy507@yahoo.ca. Thanks!

Clothes Dryer

Fire Safety Tips

A leading cause of dryer fires in the home is the **lack of dryer maintenance.**

Install **smoke** and **carbon monoxide** alarms on every storey of your home.

Test them every month.

How do I keep myself and my loved ones safe?

When Installing...

- Have your dryer installed and serviced by a **qualified technician.**
- If you install your own dryer, **follow the manufacturer's instructions** before installing the dryer vent.

Always...

- **Follow the manufacturer's instructions** regarding the safe use of the dryer.
- **Inspect and clean the lint screen** after each load of laundry. The build-up of lint can lead to a fire. Regularly remove lint from ducts and exhaust vents.
- Regularly **inspect the outdoor vent** to ensure it is unobstructed.
- **Turn the dryer off** if you leave home or when you go to bed.
- Keep the area around the dryer **clear of items** that can burn.

For more information contact your **local fire department.**

Recipe of the Month

Graglyn Warren

- ½ lb. Philadelphia cream cheese
- ½ cup sour cream
- 2 tbsp. prepared horseradish
- 4 tsp. lemon juice
- 1 tbsp. grated onion
- 1 tsp. salt
- 2 tbsp. minced parsley

Mix ingredients together. Enjoy!

KNAPTON EXCAVATING

PROUDLY SERVING COTTAGE COUNTRY FOR 30 YEARS

Rob Knapton

705-868-5038

KnaptonExcavating@gmail.com

How Well Do You Know Your Country?

1. True or False? Raccoons are found in every province.
2. What is the conservation term for the species used to protect other species in the same habitat?
3. True or False? There are hybrids of wolves and coyotes living in the forests of Gatineau Park, Quebec.
4. The scientific name for the wolverine is "Gulo Gulo." Where does this name come from?
 - a.) The Latin for "glutton"
 - b.) The board game Gulo Gulo
 - c.) The Filipino for "mess"
 - d.) The sound that wolverines make
5. What species of marine mammal is known as the "sea canary," "melonhead" and "white whale"?
6. True or False? Pronghorn, the second fastest land animal in the world, are a type of antelope.
7. The Latine name *Fratercula artica* for the Atlantic puffin, found down the Atlantic coast, means what?
8. In what year did New Brunswick become it own separate colony?
9. Who designed the Canadian Flag?
10. Who were individuals that were responsible for the Canadian National Anthem?

Kid's Page...

Directions:
Help the bird navigate her way through the heart to deliver a special Valentine letter!

Heart Maze

KIDS KRAFT HEART SOAPS

WHAT YOU NEED:

- 2 cups soap flakes
- 1/4 cup water
- Few drops of food colouring

Stir soap, water and food colouring together in a bowl until evenly mixed. If the mixture sticks to your fingers, add a little more soap. If it's hard and crumbly, add a little more water.

Flatten soap mixture out on a counter or table and cut out with heart shaped cookie cutters. Let them harden for a few days and then decorate with stickers, decorative glue, glitter, etc. These will make great gifts for your family and friends

Connect the Dots

Directions: Count by connecting the dots in number order from 1-50.

Take a **warm bubble bath** and get a good night's sleep. You may feel like a new person in the morning.

Q: Can you name three consecutive days without using the words Wednesday, Friday, and Sunday?

Yesterday, today, and tomorrow.

Q: Timmy's mother had three children. The first was named April, the next was named May. What was the name of the third child?

Timmy of course!

HOUSEHOLD HINTS

- To remove bird droppings, spray the spot with a penetrating oil such as WD40, wait a couple of minutes, gently rub the area with a soft brush. Rinse with plain water. If any stain remains, use a mild detergent and rinse.
- You can keep raisins, dates, and other dried fruit from sinking to the bottom of muffins and cakes by rolling them in the cake flour before folding them into the batter.
- To ripen bananas quickly, put them in a brown paper bag with an apple or two. Close the bag for even faster ripening.
- Store batteries in the refrigerator in an airtight plastic bag to keep out moisture. Most batteries will hold their charge slightly longer when kept chilled.
- Store your beer upright. The flavour diminishes when it is on its side and the beer is exposed to air in the bottle.
- Chill berries before washing them if possible, since cold berries are less likely to bruise or bleed during washing than those at room temperature.
- Add 1 tbsp. of bleach to the water container of your dehumidifier to keep it from developing a musty odor and to make your room smell especially fresh and clean.
- To clean your blender in a jiffy, partly fill the container with a solution of warm water and liquid soap, secure the lid, and then run the motor for a few seconds. Drain the container, rinse it thoroughly, and set aside to dry thoroughly.
- Retire and old blender to the workshop. Use it to mix paint or for other messy blending jobs. The blender's container makes a handy pitcher like receptacle.
- Make broiling pan cleanup a snap by sprinkling powdered laundry detergent on top of any burned or greasy areas. Cover the area with a damp paper towel and let the pan sit. After a few hours you can clean the problem areas easily with a damp sponge.

How well do you Know Your Country ...Answers

1. False. Raccoons are found in every province except Newfoundland, although the island finds stowaways from other provinces from time to time.
2. Umbrella species
3. True
4. A.) Latin for "glutton"
5. Beluga whale
6. False
7. Fratecula means "friar" or "little brother" named for the puffin's monk-like black and white plumage.
8. 1784
9. George Stanley
10. Music: Calixa Lavallee, lyrics: Sir Adolphe-Basile Routhier

Office 705-743-4444

It Happened in February.....

- 3rd - 1916 - Most of the original Centre Block of the Parliament Buildings in Ottawa is destroyed by a fire that kills seven people
- 5th - Singer-songwriter Joni Mitchell is inducted into the Canadian Music Hall of Fame during the Juno Wards ceremony in 1981.
- 9th - 1996 - Canadian sprinter Donovan Bailey sets the indoor 50-metre dash record in Reno, Nevada, at 5.56 seconds.
- 11th - 1926 - Actor Leslie Nielsen is born in Regina, Saskatchewan. He grew up in the Northwest Territories and Alberta, and trained as an aerial gunner with the Royal Canadian Air Force during the Second World War, though he was not sent overseas.
- 15th - In 1982 a violent storm sinks the oil-drilling rig Ocean ranger on the Grand Banks, east of Newfoundland. All eight-four men on board drown in Canada's worst maritime disaster since the Second World War.
- 21st - in 1974 Canadian hockey player and doughnut-shop co-founder Tim Horton dies in a motor vehicle accident after losing control of his sports car.
- 24th - 1982 - Edmonton Oiler Wayne Gretzky scores his seventy-seventh goal of the season, breaking the single-season NHL record held by Phil Esposito. By the end of the game he had scored his seventy-ninth, and by the end of the season his ninety-second.
